EDITOR'S MESSAGE

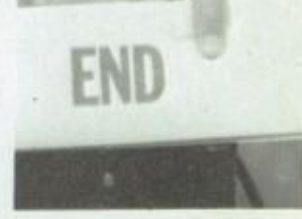

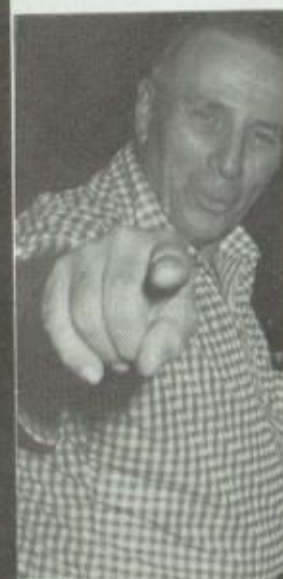

Memories, like the corners of your mind. Misty water colored memories, of the way we were. Scattered pictures of the times we left behind, times we gave to one another of the way we were.

An annual . . . what is it? Its a book that comes out once a year and holds memories. Its something you can dig out of your closet 20 years from now and recall a special moment in your life. A moment that will never happen again. Its a book that is full of pictures ranging from the first day of school to Graduation.

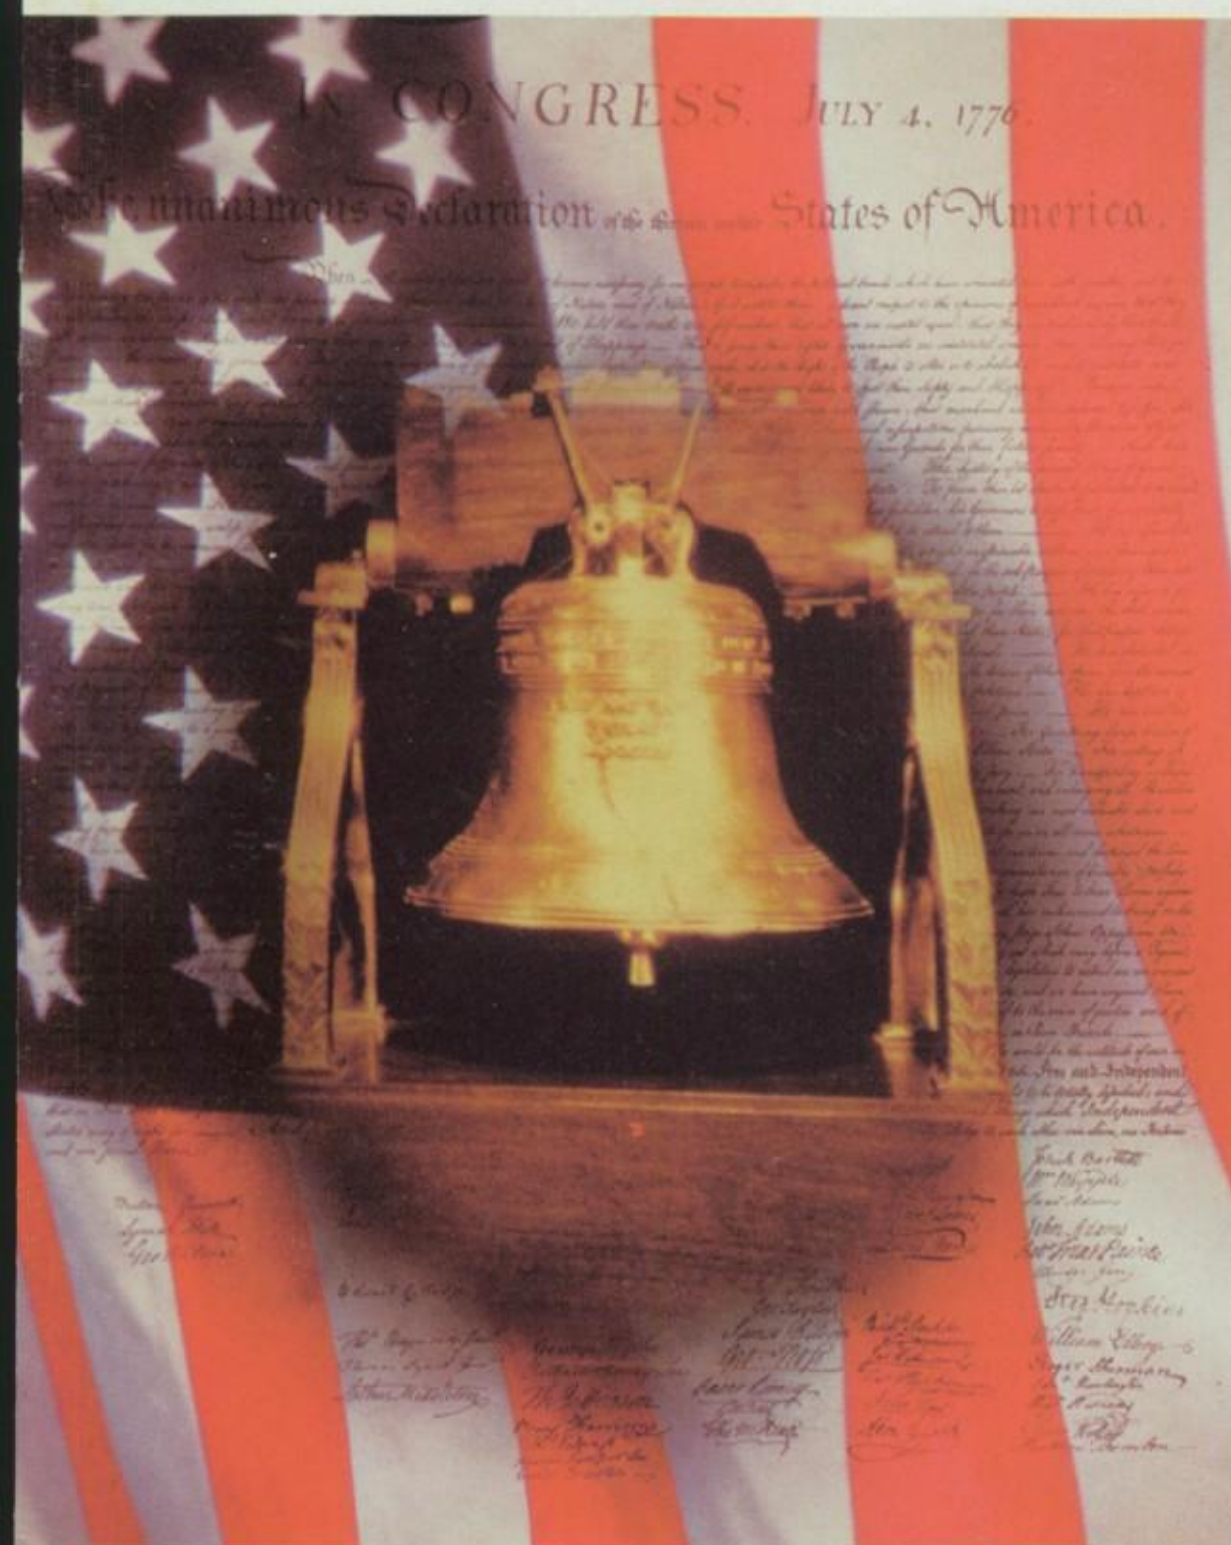

This book is more special this year than any other because of the Bicentennial. We hope that this book will bring some kind of happiness into your life in some way, sometime. So we, the 1976 BoKane Staff would like to dedicate the 1976 BoKane to you, the students of Stanberry RII School.

"I Am the Nation . . ."

I was born on July 4, 1776, and the Declaration of Independence is my birth certificate. The bloodline of the world runs in my veins, because I offered freedom to the oppressed. I am many things, and many people. I am the Nation.

I am 200 million people, living souls and the ghosts of millions who have lived and died for me.

I am Nathan Hale and Paul Revere. I stood at Lexington and fired the shot heard around the world. I am Washington, Jefferson and Patrick Henry. I am John Paul Jones, the Green Mountain Boys and Davy Crockett. I am Lee and Grant, and Abe Lincoln.

I remember the Alamo, the Maine and Pearl Harbor. When Freedom called, I answered and stayed until it was over, over there. I left my heroic dead in Flanders Fields, on the Rock of Corregidor, and the Black steppes of Korea.

I am the Brooklyn Bridge, the wheat lands of Kansas, the granite hills of Vermont, the potato fields of Wisconsin. I am the coalfields of the Virginias and Pennsylvania, the fertile lands of the Mid-west, The Golden Gate and the Grand Canyon. I am Independence Hall, the Monitor and the Merrimac.

I am big! I sprawl from the Atlantic to the Pacific, three million square miles throbbing with industry. I am more than five million farms. I am forest, field, mountain, desert. I am quiet villages and cities that never sleep.

You can look at me and see Ben Franklin walking down the streets of Philadelphia with his breadloaf under his arm. You can see Betsy Ross with her needle. You can see the lights of Christmas, and hear the strains of Auld Lang Syne as the calendar turns.

I am Babe Ruth and the World Series. I am 169,000 schools and colleges, and 250,000 churches where my people worship God as they like best. I am a ballot dropping in a box, the roar of a crowd at the stadium, and the voice of a choir in a cathedral. I am an editorial in a newspaper and a letter to a congressman.

I am Eli Whitney and Stephen Foster. I am Thomas Edison, Albert Einstein and Billy Graham. I am Horace Greeley, Will Rogers and the Wright Brothers. I am George Washington Carver, Daniel Webster and Jonas Salk.

I am Longfellow, Harriet Beecher Stowe, Walt Whitman and Tom Paine. I am Phillip Brooks, Billy Sunday and Bishop Quayle.

Yes, I am the Nation, and these are the things I am. I was conceived in Freedom and, God willing, in Freedom I will spend the rest of my days.

May I possess always the integrity, the courage, and the strength to keep myself unshackled, to remain a citadel of freedom and a beacon of hope to the world. This is my wish, my goal, and my prayer on this my birthday, two-hundred years after I was born.

4

1/ Captain John Paul Jones unfurled the first *Stars and Stripes* over the ocean when the young nation's banner, containing thirteen stars and thirteen stripes, was hoisted aboard the *Ranger*.
2/ From the deck of the captured British vessel *Serapis*, Capt. Jones and his crew watched as the American man-of-war, *Bonhomme Richard*, sank in victory, September 23, 1779. With the aid of friendly powers—namely France and Holland—and the leadership of commanders like Jones, the American fleet was able to effectively combat Britain's naval supremacy in the colonies.

3/ General John Stark led the colonial forces to victory at Bennington on August 11, 1777. The victory, along with an American triumph at Saratoga on October 12 of that year brought France to the colonies' aid as an ally and was the turning point of the war.

4/ Outside of occupied Boston, colonial patriots organized themselves into a volunteer militia known as the *Minutemen*. On the eve of April 18, 1775, British troops numbering more than 800 were dispatched from Boston to seize colonial munitions stored at Concord. Forewarned, Paul Revere and others spread the alarm and the Redcoats were met by a determined band of Minutemen at Lexington. It was here that the famous "shot heard round the world" was fired. It is not known which side fired the first shot of that battle which marked the opening of outright hostilities and led to open war.

5/ The surrender of British troops under the command of General Charles Cornwallis at Yorktown on October 19, 1781, brought an end to all-out fighting. A few scattered skirmishes continued for over a year. However, complications of negotiation with England delayed the signing of a peace treaty for nearly two years. General George Washington, commander of colonial forces, accepted the British surrender at Yorktown and later presented the captured British flags to the Congress.

5

“Stand Your Ground . . .
If They Mean to Have a War,
Let It Begin Here.”

Capt. John Parker

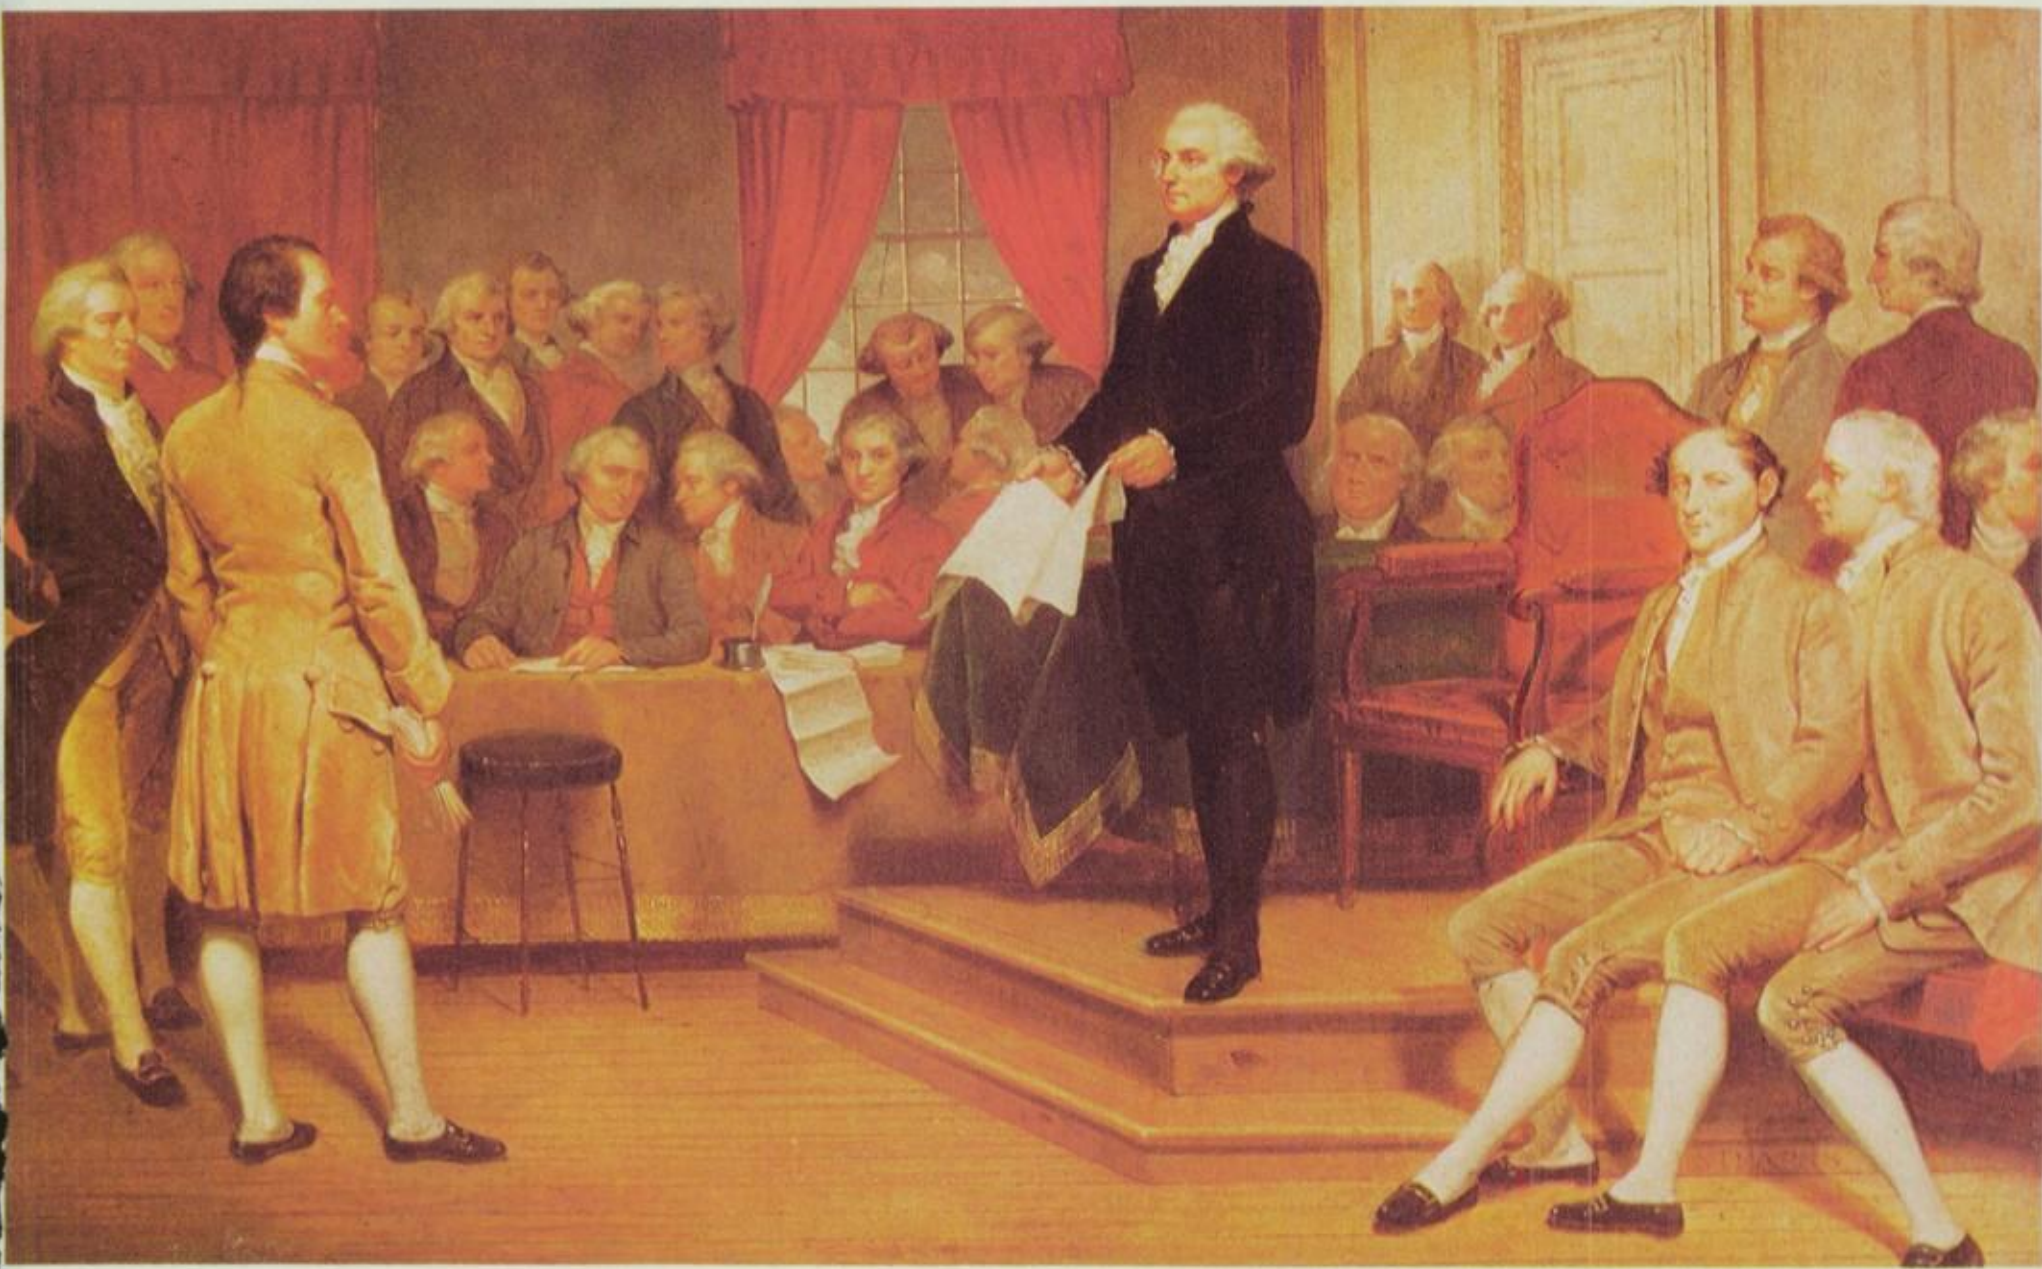

1/ Capt. John Parker uttered those words as the colonial militia under his command prepared to meet the British troops at Lexington. Those words and the painting—*Spirit of '76*—exemplify the dedication and determination of the American patriots in their fight for independence. The colonies had organized to express their grievances in an effort to resolve the differences within the framework of the Empire. Several of the colonial legislatures had instructed their delegates to the Continental Congress in Philadelphia to oppose any move toward independence. The movement for independence was gaining strength and following the publication of Thomas Paine's *Common Sense*, which argued for colonial sovereignty, a resolution was adopted and a committee of five appointed to draft a declaration of independence. 2/ General Washington, who had been appointed commander-in-chief of American forces by the Second Continental Congress, was a brilliant military strategist. It was his decision to take his Continentals across the Delaware River on Christmas night which resulted in the first major colonial victory. That victory at Trenton over Hessian mercenaries gave the ragged army renewed vigor. Supported chiefly through the printing of Continental currency, the colonial army also went through the personal fortunes of many American patriots—among them Washington, Jefferson, Richard Henry Lee and John Adams. These fortunes were donated to the cause of liberty—a cause supported by about one-third of the American population which was near 2,000,000. Another one-third remained loyal to the English crown and the remainder were apathetic. Despite many defeats, the colonies managed to keep an army in the field as a symbol of American resistance, to guarantee a negotiated rather than dictated peace.

“... Give Me Liberty or Give Me Death!”

Patrick Henry

3/ Following the victory at Yorktown, Washington refused the offer of his troops to become king and returned to Philadelphia to aid with the establishment of a permanent government for the new republic—a loose alliance of sovereign states held together by the Articles of Confederation. An envoy composed of Benjamin Franklin, John Adams and John Jay was sent to negotiate with the British. It was not until 1783 that the peace agreement, known as the Treaty of Paris, was signed, guaranteeing the sovereignty of the United States of America. The Articles of Confederation, despite many weaknesses, served to unify the states until 1787 when a special convention was held at Independence Hall in Philadelphia to revise them. The meeting was attended by fifty-five of the most-prominent men of the day. Twenty-nine of the delegates representing a majority of the states met on May 25 and decided to draft an entirely new constitution rather than amend the Articles of Confederation. The meeting then became known as the Constitutional Convention.

4/ The men who assembled for the Constitutional Convention were an illustrious group with nearly every delegate a person of prominence in his home state. A large majority favored a strong central government. After four months of debate, on September 17, 1787, the new constitution was completed. In a little more than four months, six states had ratified the new constitution. Despite the good beginning, the fight for ratification was bitter and it was not until September 13, 1788, that the necessary two-thirds majority of the states had approved the document and Congress could call for states to choose their electors and congressmen. Several of the states had ratified the constitution with the provision that it would be amended. Thus, as one of its first official acts under the new constitution, the Congress added the first ten amendments known as the Bill of Rights. Washington was unanimously elected President and a new nation was launched on a course of democracy.

Flag Presentation

Stanberry, Missouri

June 14, 1975

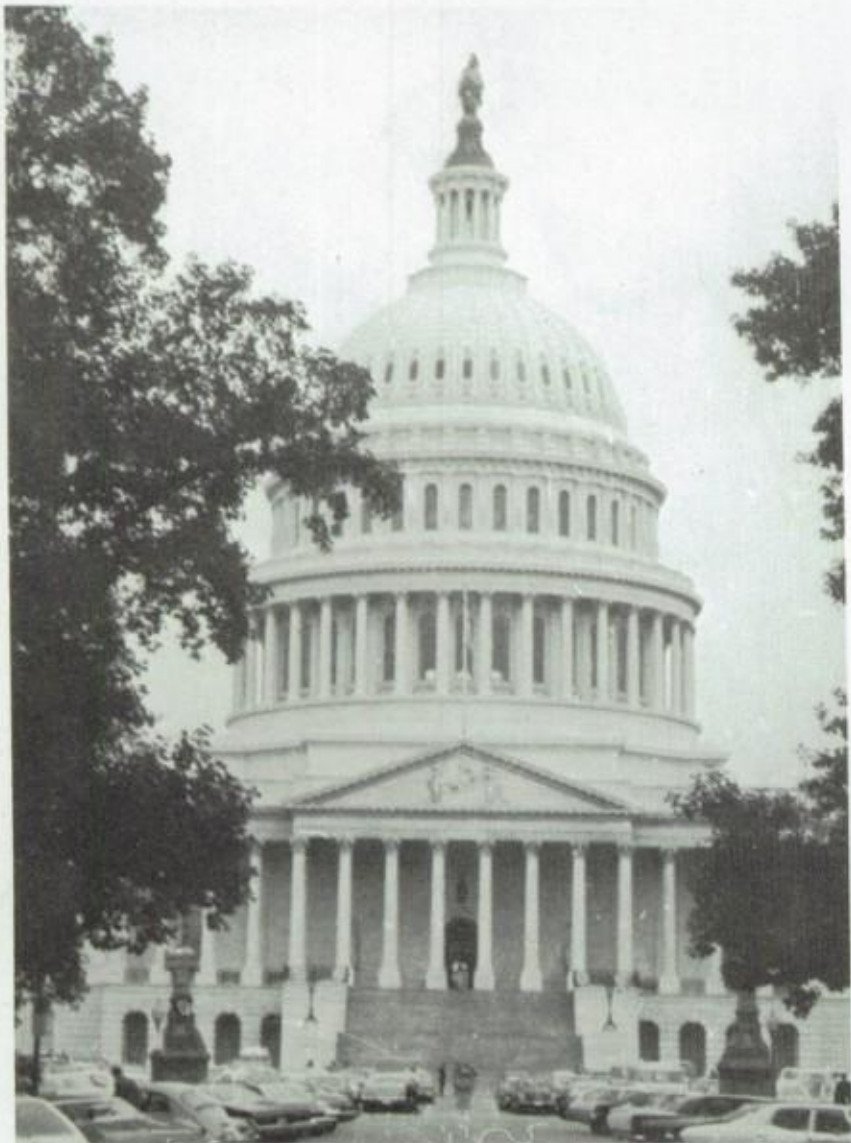

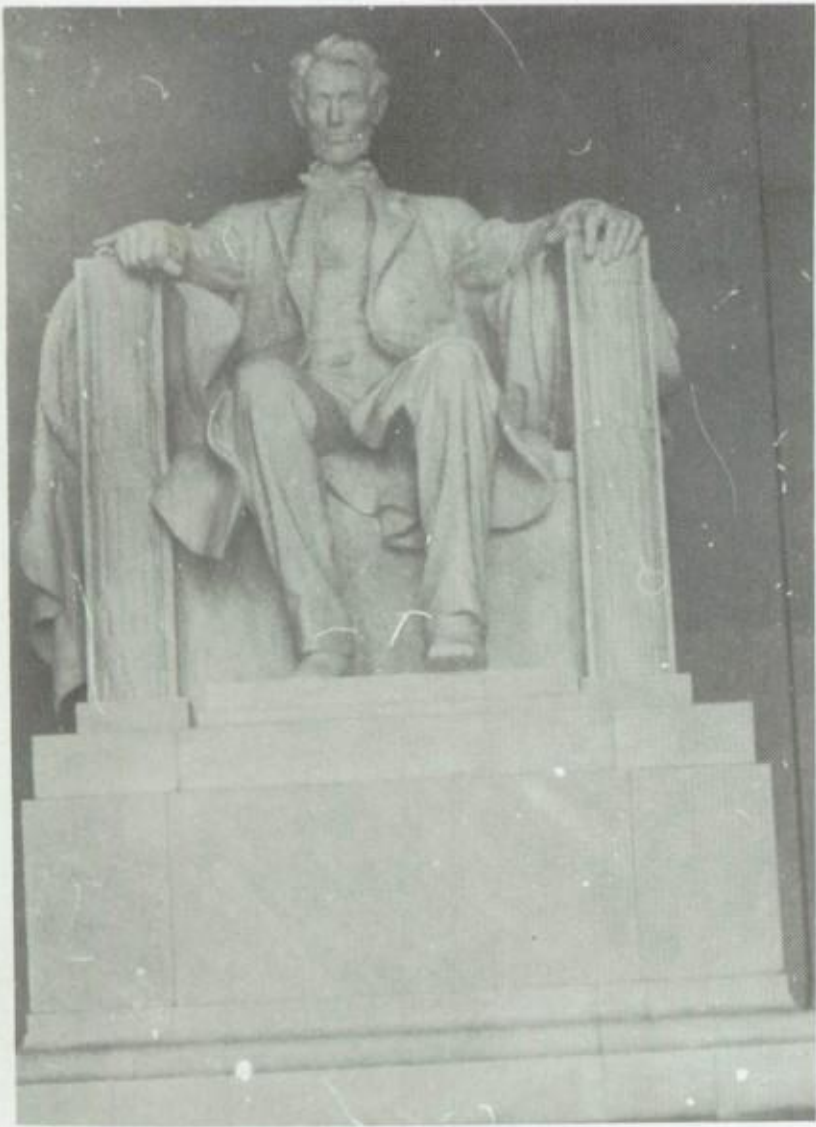

BICENTENNIAL: WHAT DOES IT MEAN TO YOU? To us on the Bo Kane Staff, it means America's 200th Birthday. Our country will be 200 years old on July 4. Stanberry will celebrate its Centennial in 3 years, which is quite an achievement for such a little community. Bicentennial activities started in Stanberry with the presentation of the Bicentennial flag June 14. Stanberry's Fourth of July parade was one of the many highlights of the year. During the school year, many students entered different areas of the Bicentennial contests sponsored by the State of Missouri. Some of the winners include: Marilyn Cummins, Nancy Greever, Todd Goodson, Ronnie Anthony,

Shirley Oliver, Rita Jensen, and Lyndon Gabbert. Many of the students advanced on to District Contest and we are proud of them. The biggest event during the year was the All School Bicentennial Pageant. Mr. William Heyser was the coordinator for this. Almost every student in grades K-12 participated in some way. The Chamber of Commerce sponsored a Bicentennial trip to our State Capitol in Jefferson City for all students that entered the contest. Many events have been planned to finish out the rest of the year. We hope you will participate and enjoy the Bicentennial. It's a special part of everyone's life.

REGISTRATION AND FIRST DAY

As those of you who attended SHS this year, think back, go back in your minds to registration, and your first day back to school. These are just a few of the scenes as old friends get together again and exchange gossip that they each have missed over the summer. We'll never be able to relive the moments of these days, but we hope each of you will be able to remember something good that happened to you or one of your buddies those first few days.

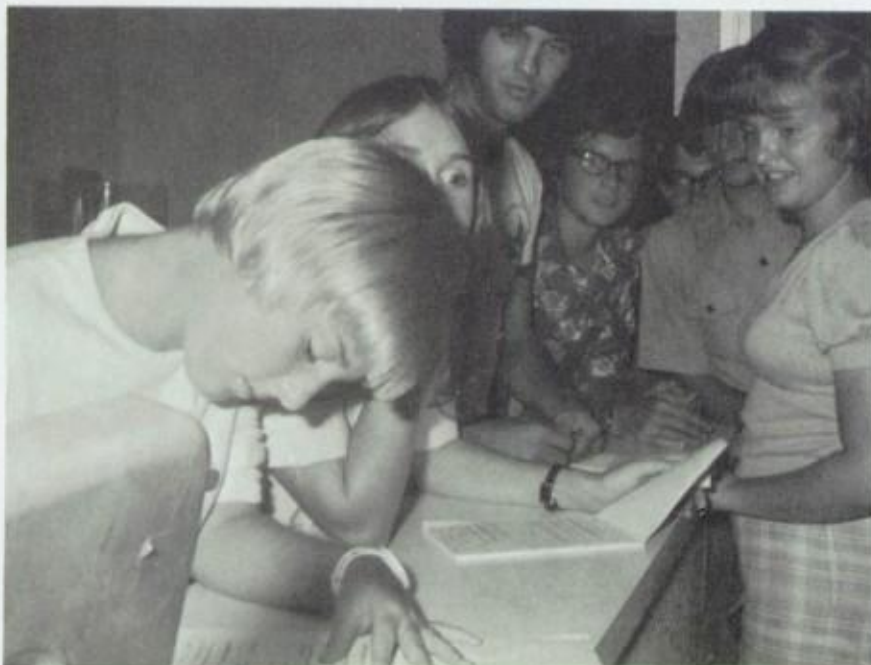

DANCES: Back to School and Otherwise

SHS opened its doors to the students on August 23, 1975. The Student Council started the year out right with a Back to School Dance the same week. Later in the year, Bokane Staff sponsored a sock hop to sell editions of the 1976 yearbook. Other sock hops followed, sponsored by the Sophomore class and other organizations. Large scale dances included the Homecoming Dance, FHA Sweetheart Dance, Barmwarming, Student Council-Bokane Christmas Dance, and finally Prom. As most dances are, they were a lot of work, but the students attending and preparing for them enjoyed every minute of it.

WILD WEST . . . BULLDOG STYLE

Homecoming week was exciting and busy as students worked on floats, the football team practiced new plays, and cheerleaders and majorettes worked up new routines for the halftime show and football game. Homecoming day started bright and early for the Pep Club as they cooked the football team and faculty a Victory Breakfast. Then a pep assembly was next on the list, which brought out the true Bulldog Spirit. The cooks had prepared us a Homecoming Meal with Barbequed Warriors, Peachy Cheerleaders, and Liquid Touchdown Energy. The Homecoming Parade took place on a crisp, sunny autumn afternoon. The Sophomores received first place followed by the Freshman in second, Seniors third, and Juniors taking fourth. Homecoming Coronation took place on the football field, which was new for everyone this year. Crowned King & Queen for 1975 were Chris Jensen and Ronda Kurtright. The Homecoming Royalty were: Seniors, Debbie Donovan and David Hughes, Juniors, Tammy Jennings and Tony Jennings, Sophomores, Lori Porter and Steve Wiedner, and Freshman, Shelly Stoll and Dean Durbin. The Stanberry Bulldogs played the Albany Warriors and the final score was Stanberry 37 and Albany 6. After the game everyone went to the dance and relaxed and had a good time. All in all, it was one of the best Homecomings S.H.S. has had.

FFA QUEEN AND FESTIVITIES

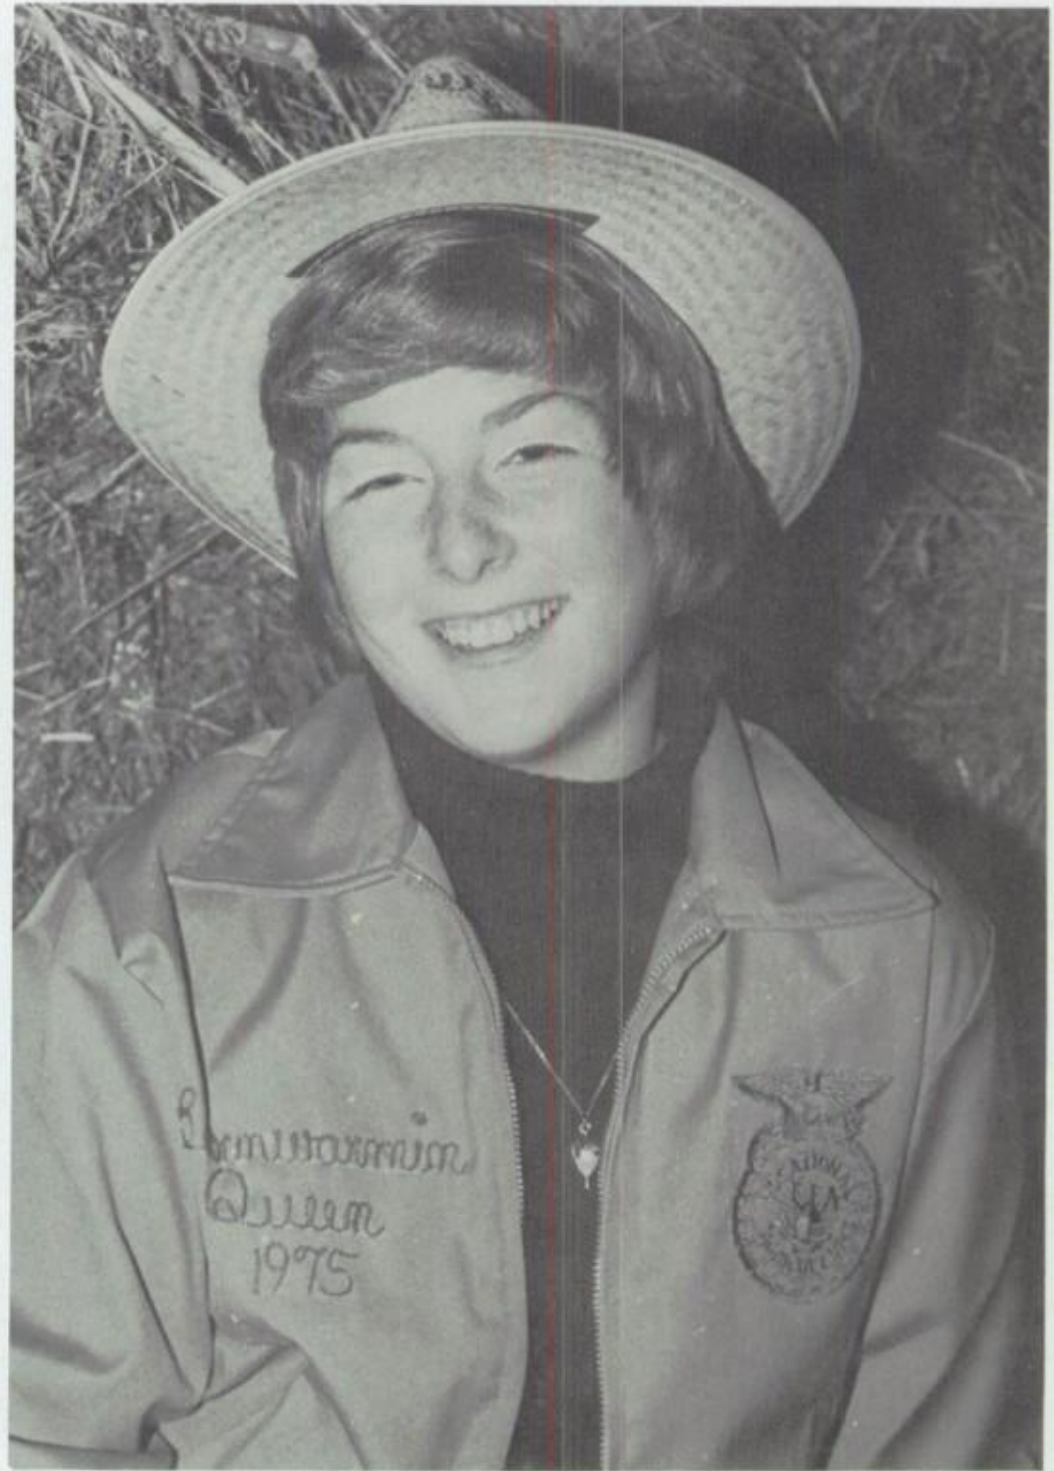

The night of the 21st of November was cold and blustery, as the students of SHS took out for the "barn" for the annual FFA Barnwarming.

The adventure began as each person attending made his way through the seemingly endless, dark tunnel. As the tunnel ended, music from the juke box and sounds of laughter, were heard by the ears of the anxious adventurers.

Amidst the dusty hay and boogeyin' music, were dancers, dancers, and more dancers; some jitterbugging, others trying. Still others were taking time out to relax in their individually designed "smooch booths." Students devoured cream pies, while others consumed bottles of pop within seconds.

The Attendants were a pretty sorry foursome when the goat couldn't even be lured to them. Their farming abilities were tested as they attempted to get the nails through the boards. The accumulation of pennies were counted and Dana was crowned Queen of the festivities.

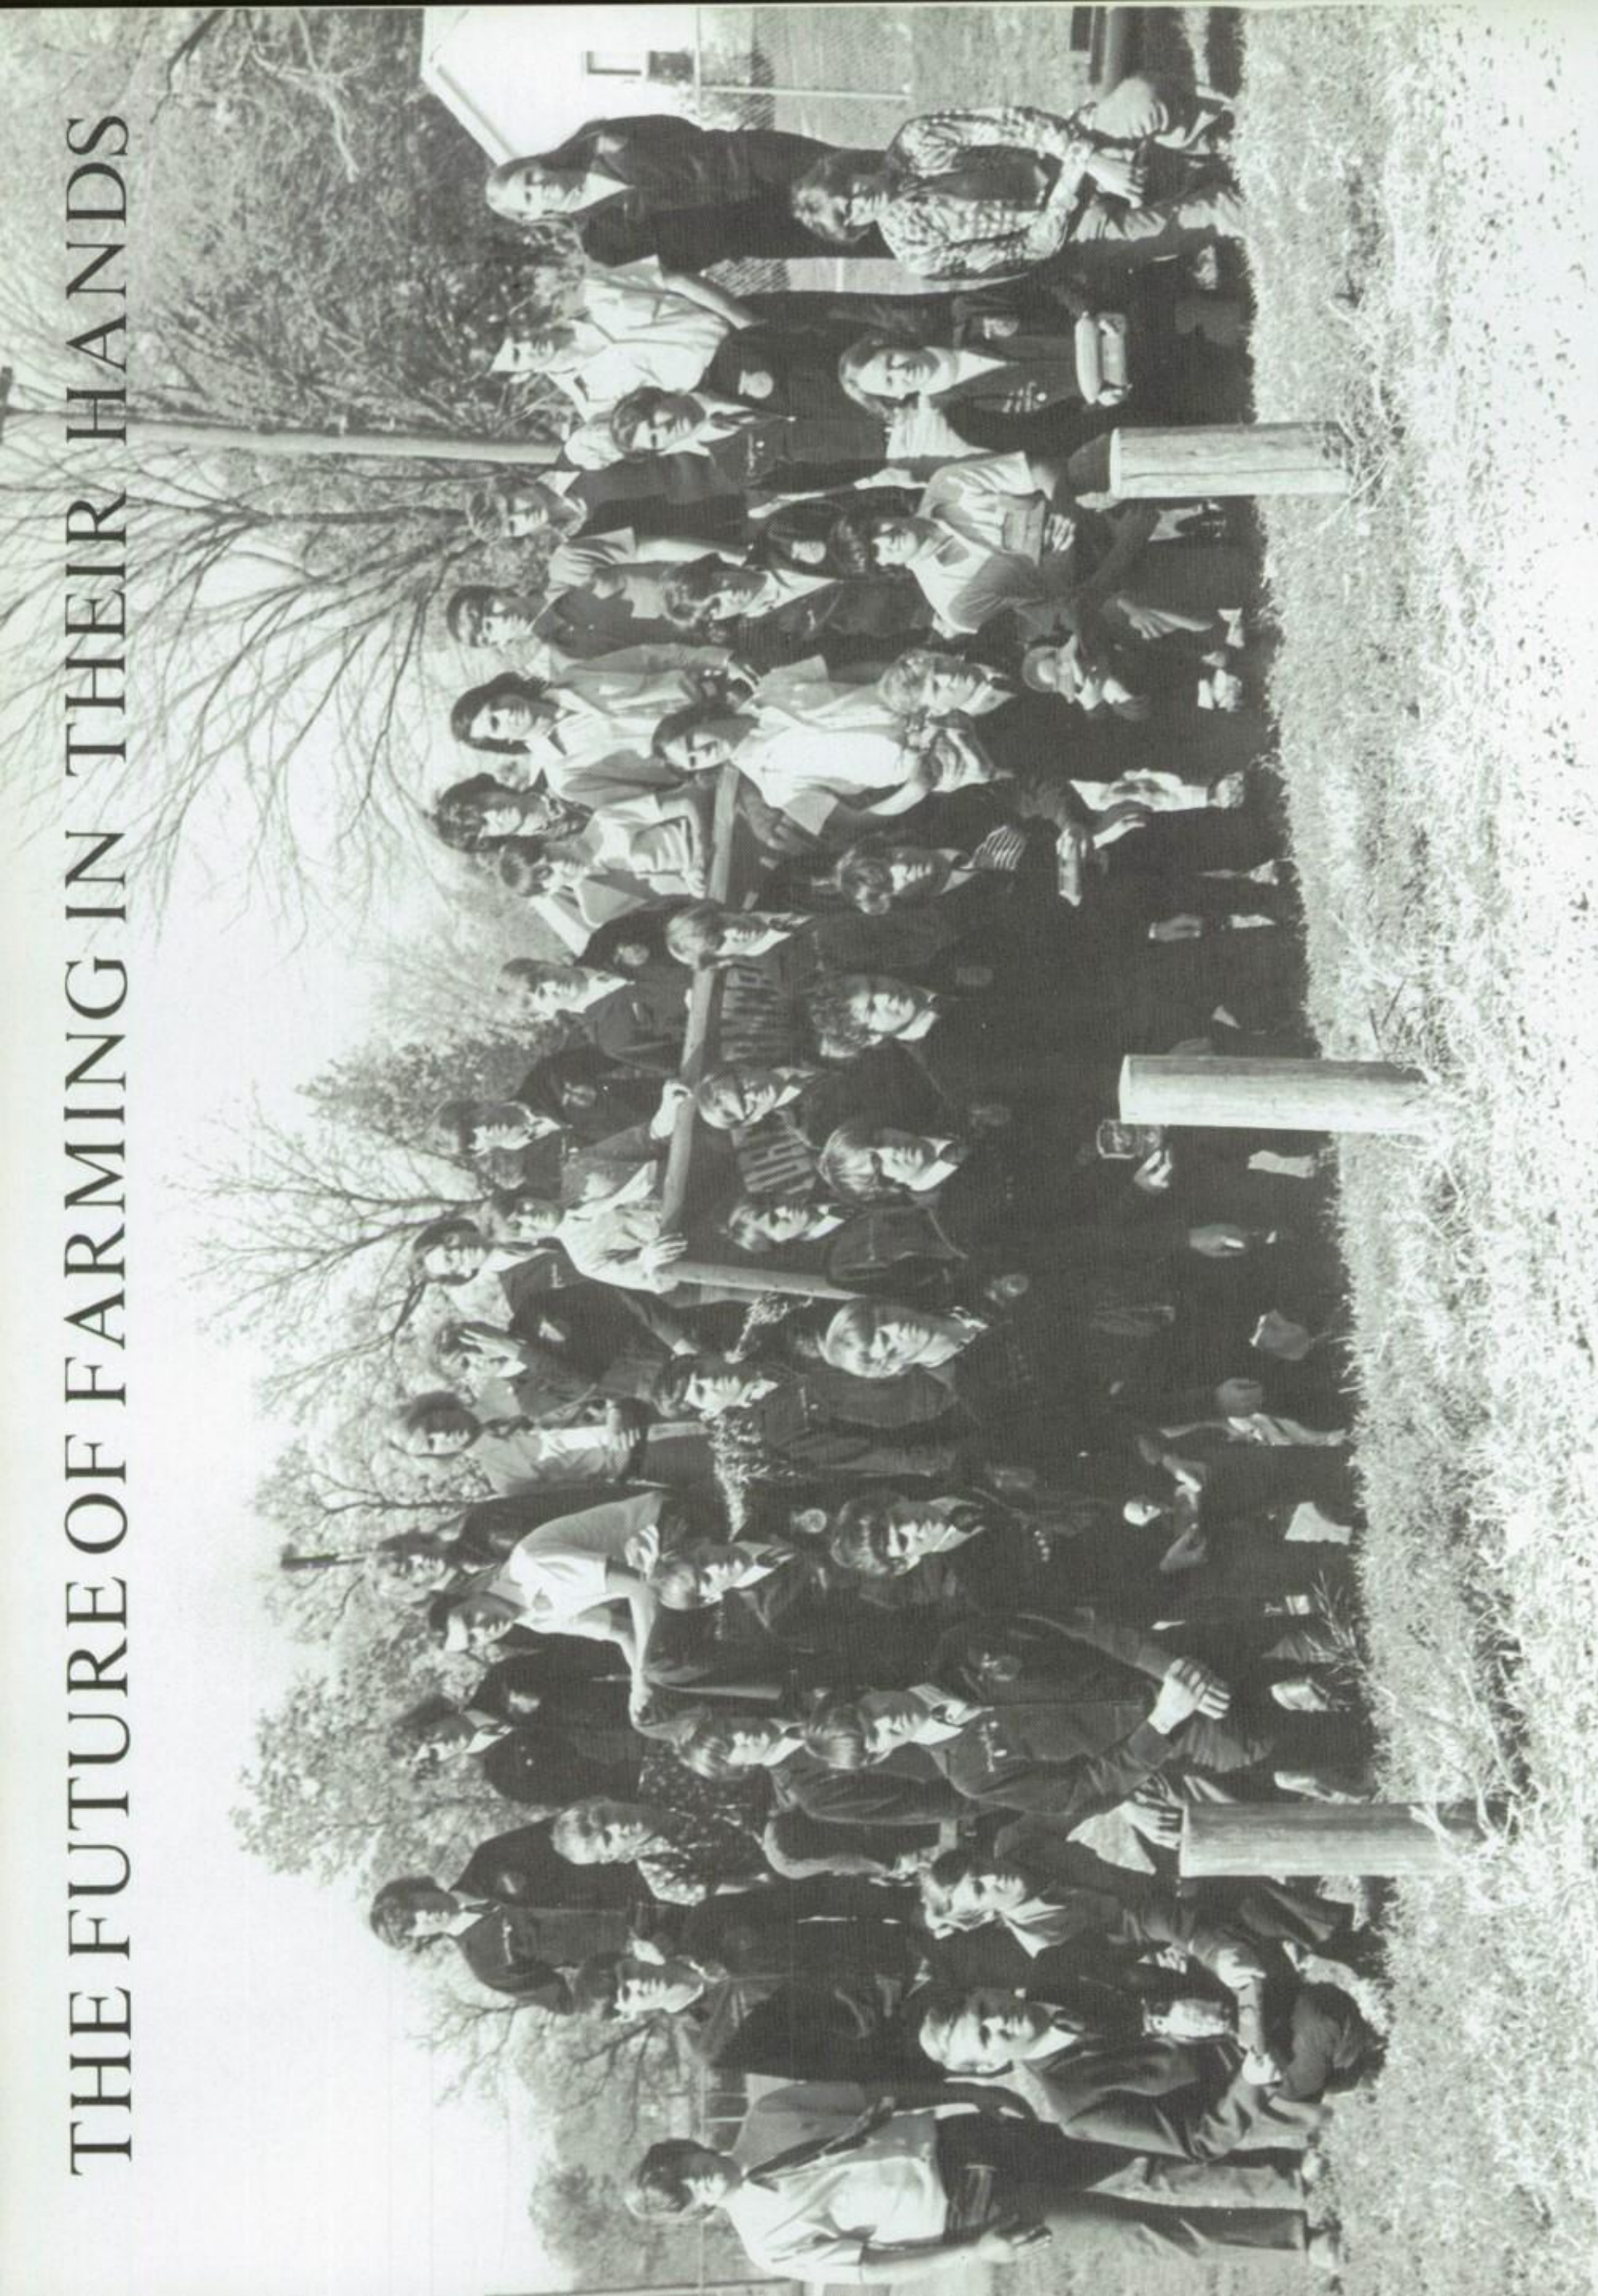

More jiving . . . the clock struck eleven . . .

The enthusiastic and ambitious Dana Hall, daughter of Mr. and Mrs. Eugene Hall, obtained the honor of being 1975 FFA Barnwarming Sweetheart.

1976: A YEAR OF ACTION

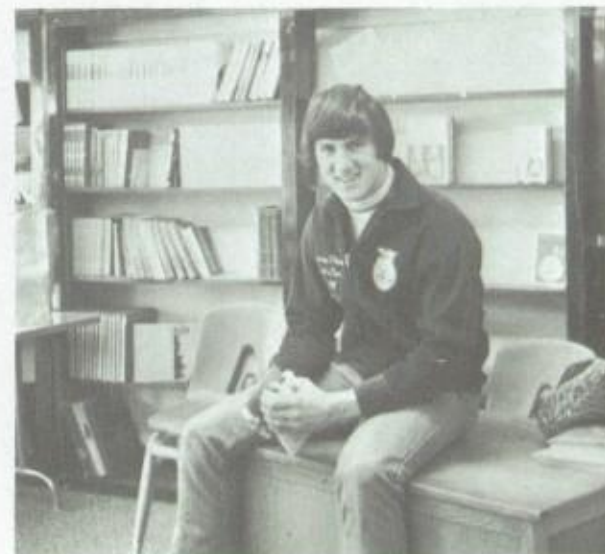

"Serving" at the teachers' workshop. If this is work, I could do it all day!

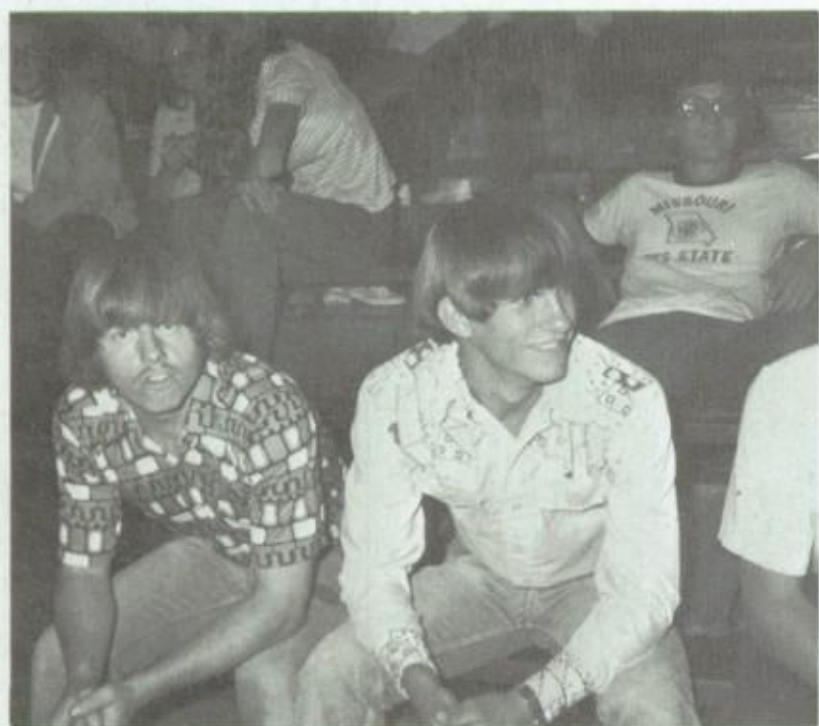

At the Christmas Dance. This event was a cooperative effort of the Bokane and the Student Council. Reigning as Queen was Tammy Jennings, the 1976 Bokane Queen.

Meeting to decide the issues and to hear all sides of the matter.

During the elections, Jamie Messner promised, if elected, he would as president get the Council out of debt (a grand sum of \$2.30). He kept his promise. Other goals of the Council were being realized as the year neared its end. They leave SHS in a little better shape than they found it.

Jack Conard and Chris Jensen enjoying the Back of School dance sponsored by the Council.

Cathy, what's that guilty look on your face? Does Jim know the secret?

"LOOKIN" IN ON...

Classes at S.H.S. were many and varied during the '75-'76 school year. Typing I had 33 students swiftly flying through the timed writings each Friday. Art was conducted in three hours, and it is debateable which one will produce S.H.S.'s equivalent of Michelangelo. P.E. took a lot of work and rest as class members demonstrate. Chemistry takes a steady hand to measure chemicals out just right, agreed Sam? The Seniors seemed to congregate in 6th hour I & I Class. They are shown "in session" during their study of the Supreme Court. Band took to the field, marching at half of the football games. Speech class entertained the student body several times during the year with plays estimated to be 50% work and 50% fun.

“...CLASSES AT S.H.S.”

The mornings were always brightened during first semester by Consumer Economics. They are shown in one of their more serious moments during services for Freddie the Fly. Senior Math class became interested in the proper way in which to find limits and fix a podium. Ronda Kurtright demonstrated grooming to the students of Consumer Education in first hour. A little more toward the sickening side of the tracks, Physiology and Biochemistry experimented with the lungs of a pig in class. The enthusiastic group at the bottom is the American Lit. class which met seventh hour. There were more classes which could not be pictured. All were a part of the scene at S.H.S.

SPIRIT OF SEVENTY-SIX SENIOR TRIP

Twenty-six Seniors left for a wild ride down to Worlds of Fun for Grad night '76. The Seniors left at 8:30 on May 7, from the school for Worlds of Fun. Many of the Seniors enjoyed the new ride the "Scream Roller." The Spirited Seniors enjoyed listening to the hit song, "All By Myself," sung by Eric Carmen in concert. Rock bands were placed in different locations throughout the park. After a night full of rides, fun, and excitement, the Seniors finally started to make their way home around 5:00 a.m. Saturday morning. Many Seniors slept on the way home and then some tried to keep the others awake. But for the most part, the bus trip home was as twice as quiet as the ride down. After a gas stop in Cameron, and the boys walking their pet dog, they picked up at World's of Fun, the Seniors finally ended up back in Stanberry around 8:00 a.m. Saturday morning. All in all it was a pretty good Senior trip.

Dear Deb,

Thanks for the time and
love you gave me.

It's been along time, but I can
remember it like yesterday.

You'll always be with me
in my heart and soul. I hope
I still am in yours.

Maybe sometime we'll get
together, and talk over the past
and the future.

I know you, and I know you'll
make out alright in the real
world. I'm tough when
there's ~~no~~ no one to turn to though.
So I hope you find someone
to take good care of you.

I would have been there to
do it, but my future, and
our past won't let me.

Did you ever think that what
we had could have been so good.
We always got along so good.
You never made me mad, and
I hope I never made ^{you} so angry.
Maybe we were just too young,
but I enjoyed it and loved it
while it lasted.

The night is ~~black~~, and the air is cold
My bodie is weak, and my soul is old
My mind is weiry and my eyes can
see.

And I'm asking God why it happened
to me.

But my strength is draining, the
angels sing their song.

I know in my heart that it won't be long
And as my life story passes before me
You are the last picture that I see.

I remember your love, and how to it
I was a slave.

And I'll carry the memory of you,
with me, to my grave.

Love you always,
George

[illegible]
